Good day

Request for permission to submit post-print articles to the full text open access electronic repository of the Stellenbosch University (SUNScholar)

Our University is in the process of setting up an electronic repository of locally produced knowledge products (<http://scholar.sun.ac.za>). We would like to archive scholarly articles authored and co-authored by Stellenbosch University researchers while affiliated with the Stellenbosch University (South Africa), and would therefore appreciate it if you could consider giving the university permission to upload articles published by researchers from Stellenbosch University in the following journal, to SUNScholar:

Journal Title : Emerging Markets Finance and Trade

ISSN : 1540-496X

URL : <http://www.mesharpe.com/mall/results1.asp?ACR=REE>

Full credit will be given to your publication. We are looking forward to your positive response re the above.

With kind regards,

Ina Smith
